

Appolo Academy

What do we strive for?

- Appolo Academy aims to teach, improve and optimize your child's abilities in a wide variety of subjects (see below) to prepare them for their school tests, assessments and exams. We especially seek to assist your child with;
 - the Gifted and Talented Exam (GATE).
 - Year 11 and 12 Exams.
- We also seek to optimize ability in areas such as short answer writing and writing cohesive, concise answers that are useful in all subjects and most careers.

Who will your child be taught by?

- Our experienced teacher helps students prepare for GATE with extra materials so that your child can learn the different aspects of GATE, such as time management.
- Our teacher of Year 7 to 10 Science (Physics and Chemistry), Mathematics and English and Year 11 and 12 Physics (1, 2, 3, 4), Chemistry (1, 2, 3, 4), Mathematics Methods (1, 2, 3, 4) and Math Specialist (3, 4), Mubashshira Tahsin Ahmed (Anannya), has recently graduated from Year 12 with an ATAR score of 99.6 and will start studying medicine at UWA.

Our location

- We teach in the suburb of Wattle Grove,. In special circumstances we may go to our student's houses or meet at public libraries, although this may change in the future.

Contact us:

- Call us at 0433405370 (Dr Shakil Ahmed), 0478221404 (Mubashshira Ahmed)
