Dear Respected Brothers and Sisters

## Re: CORONAVIRUS – WHAT SHOULD I DO?

In light of the recent outbreak of the Coronavirus and rising number of Corona Virus cases after careful consideration and with the best interests of the community, the Masjid Al Falah Committee have decided to take the extraordinary step to request all attendees to the Masjid **to refrain from attending the Masjid if you** feel unwell or **have any** of the following symptoms:

- Cough
- Runny nose
- Shortness of breath
- Fever
- Sore throat

In addition the Masjid Committee request that:

1. **DO NOT** come to the Masjid if you have had close contact with someone who had or is suspected to have Coronavirus;
2. **DO NOT** come to the Masjid if you have travelled to a high risk country recently or you have had close contact with someone who had travelled to a high risk country recently (follow quarantine rules);
3. **COUGH** into a tissue and dispose immediately, or cough into your sleeve, not your hands;
4. **AVOID Physical Contact** including handshaking, hugging and any close contact;
5. **Use toilet at home and perform wudhu at home** and only in emergency if you need to use toilet or perform wudhu at the masjid, keep areas clean and use soap and disposable paper towels provided; and
6. Bring your **own prayer mats** if possible;
7. **ISOLATE** yourself according to Western Australian and Australian Government guidelines
8. **Stay informed** and **act accordingly** to the guidelines as become available for Western Australian and Australian Government.
9. **Assess your risk** and risk you pose to other to act sensibly and look after health and wellbeing of the community

This decision is made with abundance of caution in mind, with the most vulnerable in our community prioritized and has not been made lightly.

We apologize for any inconvenience this may cause and kindly ask community to cooperate with us and support us by acting on these steps and spreading the message to others.

Thank you for your patience and we urge you all to pray for the wellbeing and safety of all the community and attendees.
